

Finance & Entrepreneur Week

Careers Fair

During 'Finance and Entrepreneur Week', we also held our very own MV careers fair! We had a wide range of different careers on show, such as a sports coach, firefighter and even a member of the police force! The children were able to discuss the skills, specifically relating to mathematics, that are needed to pursue a variety of different careers before completing a job application for their

Halifax Visit

Finance & Entrepreneur Week

Halifax Bank visited our school to talk to the children about the importance of money, why we use money and how to save and spend money in a responsible manner. This allowed our children to have the opportunity to gain the skills, knowledge and have the confidence to discuss and use money responsibly in the future.

MV Number Day 2020

Enjoying Numbers Day

MV_Reception
@MV_Reception

A fun filled Number Day, from number games in PE to Numberblocks (the REAL ones!) making number bonds to 10, to Snakes 🐍 and Ladders!

To celebrate 'NSPCC Number Day' we completed a wide variety of engaging and fun mathematical challenges! We entered the Puzzle Emporium, completed some PATHS (Physical Maths) as well as a wide range of mathematical games relating to problem-solving. We focused on the range of different strategies that we use to tackle maths problems as well as using our growth mindsets!

NSPCC NUMBER DAY! 1JS are having lots of fun in Mr. Stott's Puzzle Emporium! We loved meeting our very own 'Perseverance Penguin' and used our growth mindsets to solve some tricky puzzles! How many jelly beans do you think are in the jar?! 😊 **2 5**

Year 2
@MV_Year2

Estimating how many jelly beans in a jar!

Year 3
@MV_Year3

Times tables are fun!

Year 4
@MV_Year4

Having a lot of fun on Numbers Day!

Year 5
@MV_Year5

It's Numbers Day so we are doing some PATHS (Physical Maths) with Mr Rhodes.

Year 6
@MV_Year6

Puzzle Emporium in full swing again this afternoon
